

National Hotel, Washington  
Decr 29, 1859 —

My dear Wife,

The long agony is over. I have just finished my final argument and the Case with all its merits & demerits is with the Court —

I am satisfied with my effort. So far as I can judge the Court paid marked attention throughout — I occupied an hour yesterday after Smith closed and two and a half hours to day — commencing at half past 11 — I am as you may suppose somewhat exhausted — My anxiety has been so great

Description: K.B. Sewall on court case, Washington, D.C.

that I have not had one  
night good rest since I left  
home — & you know how  
long  
before I was in the same  
condition — from the 23  
Nov. when I rec'd the letter  
from Seward — till now  
I have been as intensely anxious  
and laborous as a man could  
be — It is morning & has been  
since yesterday morning —  
I have some matters I wish  
to accomplish here — & may stay  
a day or two — but think  
you may expect me in a  
week — I want one night  
good rest — & don't want to  
leave in a snow storm —

Mr. Collin well & in good  
spirits — I believe he is satisfied  
with my efforts —

It is now dinner time 4,  
P. M. — so adieu —

I got your letter this morning  
of the 23<sup>rd</sup> just as I was leaving  
the house for the Sup. Court.  
Not a very propitious time  
for receiving such a document  
— but welcome nevertheless —

Ever your own

K.B.S.

Evening the snow has turned into  
rain — O how I long to be with  
you — Love to all — a kiss to dear  
little Amy, Sammy — Ada —

Adieu —  
I have had a letter from Somers —
