My Dear Sir ~

I hear from many
quarters that I am greatly
indebted to your friendly exertion
in bringing about the gratifying
results of "the Seciater question".

I write this simply to say
that I fully appreciate your
kindness, and trust that
in the future, as in the past,
our personal friendship and
confidence may be unabated,
and prove a source of
pleasure to both ~

Very truly yours
Hon. John Lynch — WP Fessenden
