Edna Neadeau  
Act Secretary Hartland Grange #452  
Hartland, Maine.

Dear Sister Neadeau:  
Received the Resolution concerning Hartland Grange #452. It appears  
to be in proper order and I hear by approve.

I still believe Hartland Grange could survive if time and serious  
thought were given. The Community will be looseing a need friend , and  
the order of Patrons of Husbandry, another valuable link from its chain.  
You have a wonderful friend in Deputy Savage, keep working with him.

Fraternally

Arthur M. Perkins
