Dear Sir,
I have your Favour of the 1st Inst^{ed}, & herewith I
take the Liberty to inclose a Letter to Cap^t Barre about the posting
the Ten Men you have imprest in doing which if you have any
Comand, pray lett him know it, my Intent is not to have them
carried farr from Home: unless it may be thought best
I now stand in our odd Situation with our great
Man, he has made some late Attempts upon me which I thought
would affect my Honour as well as my Interest, wherefore I was so
hardy as to oppose his Measures w^{ch} twill be too tedious to you
now to relate, but I flatter myself I shall this Week have the plea
sure of giving you the particulars by a Visit at Kittery. This
Difference began ten days ago since which I have had two Lett^{rs}
from him, & have return^d him two others, my last has been unan
swer'd ever since Fryday thô by his Retreat to the Castle he might
have found Time, he having been there severall days, I wish I could
have offer'd him any thing that would have made his Solitude
agreeable to him; He has been very desirous of getting clear
of his New York Engagements, & by the Advice of your Brethren,

of the Board suspended it, he is again rallying so that my Friend
Choate who has been gone about 6 or 7 days will not be disappointed
The Great Man will not I fear settle with me before he goes un-
der and into his Terms, that shall not prevent my embarking for
London in about a Month, tho I have little reason to expect any
one good office from him, possibly it may be best so, I am content.
I am sorry his Character runs so low at home, and that
there is so great a Likelihood of his Avarice being his Ruin, Kilby
I find will be in violent opposition to him, & few Gent^l of Repute
will continue his supporters, it was one of his bad Schemes the
dropping Kilby, which if he does not already he will see too late.
I congratulate you very heartily on the account I heard
of your own Mountains standing strong, you Send Letters from
