

Mechanic Falls, Aug 17 ~
1908,
My dear doctor Nickols:-
Received your letter.
You said probably you could
not take Agnes for less than
\$7.00 a week. we can't raise
that amount; but think we can
raise \$5.00 a week. and there
will be \$1.00 for washing
beside, and that is all we can
possibly do.
Her brother has not got all
paid up for her of borrowed
money that he had to borrow
to pay for her when she was up
there before.
Now doctor I don't know what
I am going to do with her. unless

Her brother has not got all
paid up for her of borrowed
money that he had to borrow
to pay for her when she was up
there before.

Now doctor I don't know what
I am going to do with her, unless

you will take her for \$5.00
as there is no one here that will
take her to board. since she has
had these hemorrhages, they are
afraid of her, and I can't take
her home on account of the salt
air. She wants to go to Hebron
and says she knows she can
get well if she can go there.
Doctor she carries a fine tem-
perature all the time, and her
appetite is fine too. she wants
many things to eat. that doctor
Tobie is not willing for her to eat.
now doctor I do hope you will
take her for \$5.00 for she is so
anxious to go, and she wont be
put-off, in any reasonable way.
If you will it will be a great
burden lifter from me.

Please let me hear from
you as soon as possible
and if favorable I will get
her ready as soon as I can.
Mrs Sawyer is not able to keep
her any longer, as she is in
poor health.

Very truly yours
