Before Petersburg Va

Henry tells me he has written  
every four days since in the  
field.

My Dear Father

I wrote you this  
morning but I forgot to tell  
you that I must know  
how much bounty is due  
me and on what condition.  
I think you told me it  
was to be paid at the end  
of a year. I was counted  
for Dennysville so the  
Adjt Genl says and I will  
send you the order for  
it when I know how much  
it was Henry and Ned both  
say buy the house and  
do it now, not pay

100 a year for the house  
and \$200 interest - but - pay  
every cent you now have  
for the house. I am  
sorry you are so simple  
as to even mention this  
matter to Lincoln why are  
you not more independent?  
if you only knew how  
made it - makes me you  
would not do it again I  
am certain those you trust  
so much are not your  
true friends. see how hard  
they worked against me  
and then see when in  
spite of them I got a  
position how mad they  
were do you forget - these  
things? could Ben Lincoln  
by shaking hands with me  
make me forget that  
letter I was to carry

to Talbot, could Dan  
Hobart make me believe  
he was my friend by helping  
to get my commission didn't  
he get \$50 out of it - and  
did he not think you  
would always be under great  
obligations to him when there  
was any voting to do? cant  
you see these things?  
if you would only open  
your eyes you might -

Always when I think  
of home I say within  
myself I should act - as  
tho I had no friends but  
my own folks this is the  
best way, buy the house  
not because it is cheap  
but because there is not  
a man in Dennysville who  
needs a home more than  
you do. No person ever

felt the need of a home  
more than I have how  
many times I have wanted  
to invite friends to see me  
but could not do so while  
I lived in that box on the hill  
and when I come home  
what shall I do, I shall  
make many acquaintances in  
the Army should they ever come  
to Dennyville they would come  
to see me, how would you  
feel to have them come to  
that old "dug out" you would  
not like it and I could not  
bear it when I know we can  
have a good comfortable home  
as anyone need wish if we  
only buy now and not put  
it off one day or hour this  
can be done and I leave it  
to you hoping I may not have  
the trouble of making a bargain  
by letter, it shall be your  
home no matter how much  
we help to pay for it
