Mr. Charles O. Carey  
The Surry Playhouse  
Surry, Maine

Dear Mr. Carey:

I have just heard that this is the fourteenth season for the Surry Players. May I wish all of you the best of luck? You started a new venture and have proved over the years that you know what people want.

Back in 1887 my father started a new venture with the Kimball House, and the fact that it is still serving the public under the same family management seems to show that it is something the public wants.

When you have a chance to offer a suggestion, how about telling your patrons about our buffet suppers held on alternate Sunday nights from the middle of July until after Labor Day? We shall endeavor to make a visit a pleasant experience.

Sincerely,  
L. E. KIMBALL, JR.
