Friend Cole I am under the Painful
Necessity to inform you according to
your request & my Promise that
Charles is very sick his Prospects
for Recovery is very slim. the
Doctors advised me to telegraph
you which I shall do tomorrow Morn
but for fear you will not get the
Dispatch I write by his Request we
kept him from the hospital as
long as it would answer & be
safe. he has been there five Days
he has had every care & attention
any one could have on any camp
ground. I have visited him twice
a day since he left the Baracks
I should have written before but
was waiting for an answer from
you & the Doctors spoke favourable
of him till I saw him since 5 o'
clock tonight. I saw him this
