

Skowhegan July 17<sup>th</sup> 1868

Gen. Shepley,  
Dear Sir:

We are exceedingly anxious to have you make us an opening political speech here quite soon. In a letter to us several weeks since, you said you would be pleased to address the Republicans of Somerset during the season.

Has not the time come?

Truly Yours  
Z.A. Smith

Please indicate the time when you can come.
