Date: 1855

Description: Franklin Pierce wrote to George F. Shepley, confirming a date that Shepley and Bion Bradbury would visit Pierce and his wife in Washington.

The Democratic ranks, who
are known to be unsound
upon the National questions
is fatal to the permanent strength
of the party and treason to the
Union - I will defer many things
which I wish to say to our meeting.
Please to present my kindest
regards to your Father when
you see him.
In haste
