

Orono June 27, 1861

Dear Bro,

Mary has bought three shares in the Orono Bank, & as they tax Bank stock in this town about twice as much as they do other property, she has had the certificate taken in your name. Please sign the power of attorney on the back & return the paper to her by mail.

I came over night before last & return to day. all well.

You saw the Cad then in Galena.

Description: Israel Washburn on Civil War compromises, Orono

I hope Congress will not
be in session over two or three
weeks, & will not listen to any
of the traitors. ~~the largest~~ of
all tories they are the meanest,
those that talk of compromises,
let them be marked, &
shamed awfully - avoided like
reptiles.

Yours truly,
I. Washburn
