you got the idea that I had  
any intention of resigning  
such a thing never entered  
my head I have thought &  
still think that I might as  
well have the command of  
a ship as now they are giving  
the command to acting masters  
every day or two & some of them  
hardly know one end of the

Ship. from the other I  
am satisfied that I am as  
well fitted to take the  
Command of a vessel  
as half of the men that  
have command now  
with me at Mystic Con.  
We shall be in with the  
Ship as soon as she is  
finished to put out for sea

Truly your Bro
