Baltimore Decem. 30<sup>th</sup>: 1776

Gentlemen,

Ever attentive to the Security of Civil Liberty, Congress would not have Consented to the Vesting of such Powers in the Military Department, as those, which the Inclos'd Resolves convey to the Continental Commander in Chief, if the Situation of Publick Affairs did not Require at this Crisis a Decision and Vigour, which Distance & Numbers Deny to Assemblies far Removed from each other, and from the immediate Seat of War

The Strength and Progress of the Enemy, joined to Prospects of considerable Reinforcem<sup>ts</sup>. have render'd it not only necessary that the American Force should be augmented beyond what Congress had heretofore Design'd, but that it should be brought into the Field with all possible Expedition These Considerations induce Congress to Request in the most earnest manner, that the fullest influence of your State may be exerted to Aid such Levies as the General shall Direct in consequence of the Powers now given him, and that your Quota of Battalions formerly fix'd may be Completed with all the Dispatch that an Ardent Desire to Secure the Publick Happiness can Dictate

I have the Honour to be with every Sentiment of Esteem, Gentlemen,  
To the Honorable,  
The Assembly of the  
State of New Hampshire
