I have just sent my boy
after the paper which
I took this morning to a
notary public. All right
I have just got the power
of Attorney which I enclose
in this letter.

I was indeed surprised
to find out the new
Manager of Museum
I hope he will do
well. I have closed
with him. And God
willing will see you
April 25th. When we
will have plenty of
time to talk over my
past adventures

God bless you Joe
I am your true
friend J W Booth
