

West Newton. Mar. 26th '57,
Mrs. Mountfort.
Dear Madam,
On the evening preceding the one you name, I have an engagement, at some distance west from this place, so that I could not, in the common course of travel, reach Portland, at the time you mention. Health & ^{other} engagements might prevent compliance, but the one above-mentioned is decisive.
Yours very truly,
Horace Mann.

Dear Madam,

On the evening preceding the one you name, I have an engagement, at some distance west from this place, so then, I could not in the common course of travel, reach Portland, at the time you mention. Health + ^ engagements might prevent compliance, but the one above-mentioned is decisive.

Yours very truly,
Horace Mann.
