

Westport June 10

Dear husband
I wil pen you a
few lines to let
you no I got yur
letter and glad
to hear from you
Sory you wer not
well we have
had very hot wether
but a shower las
t nite the boys
almost roast goin
g to school I sopus
e you had a good
time up river that
is why you did not
want me I sopose
Gertie wil be at
home soon

Description: Sarah Tibbetts to John Tibbetts with news of home

wish you would
send me a dolo
r or 2 to by some
things to eat wen
she comes down
charle gives me some
to by my butter and
some salad things
and my fish he has
not sold meny for
they are so low

I missed lottie very
much give my love to
Eddie don't let him
work to hard this hot
wether deu not forget
my Straberys for

wish you would

r or 2 to by some
things to eat wen
she comes down
charles gives me some
to by my butter and
some smal things
and my fish he has
not sold meny for
they are so low

I missed lottie very
much give my love to
Eddie don't let him
work to hard this hot
wether deu not forget
my Straberys for

have not had only
a taste up to mauds
roy sends you
a kiss it
Is awful lonesome
round hear I miss
you very much
I am writing this
in the dark
I cannot get eneth
my more over to
howards for
he has sold out
no mor at present
take good care of
your self Sarah
bert carr is dead
tyfoid feaver

have not had only
a taste up to mauds
