

Application for Membership to Old Ladies Home

I, Margaret R. Foote of Bath in consideration of the acceptance by the Old Ladies Home, of Bath, Maine, a corporation organized under the laws of the State of Maine, of my application for admission as an inmate of said Home, under the provisions of its charter and by-laws, do hereby agree to observe and obey such by-laws, rules and regulations for the government and discipline of said Home as are now in force, or may hereafter be adopted; and I do hereby transfer, convey and assign to said Old Ladies Home, of Bath, Maine, its successor and assigns, for its absolute use, all property and estate, whether real or personal, of which I am now seized and possessed; and I do further promise and agree to and with said Old Ladies Home, of Bath, Maine, that all property, real or personal, of which I may hereafter become seized or possessed, shall, upon my acquisition thereof, likewise become the property of said corporation, for its own absolute use. The said corporation shall be entitled to all such future-acquired property, and may take, possess and use the same, without any further act on my part; but I agree nevertheless, that I will at any time, or from time to time, upon request, at the expense and for the benefit of said corporation, do all things, and execute and deliver all instruments that may be necessary or convenient, in order to assure to and vest in said corporation full and complete title to, and enjoyment of, all such property; provided, however, as to such future-acquired property, I may elect, upon my acquisition thereof, to retain title thereto in myself, and withdraw as an inmate of said Home, making proper compensation to said corporation, as provided in its by-laws, for my maintenance in said Home, up to the time of such withdrawal.

If at any time hereafter I should become physically or mentally incapacitated to execute and deliver any other or further instruments of conveyance and transfer, necessary or convenient for vesting in said corporation title and possession of any property and estate, whether now owned by me, or hereafter acquired as aforesaid, it is mutually understood and agreed that said corporation may institute any necessary proceedings in any court having jurisdiction, to carry out and execute the provisions of this agreement.

In witness whereof, I have hereunto set my hand and seal this fourteenth day of December A. D. 19. 49,

Margaret R. Foote
