

Hancock Barracks
July 23 1831

Mr Felch

Attorney at Law

Sir,

I have made up my mind to give

Taylor no quarters and I expect you will take

the shortest method for the recovery of my money as I

do not intend Mr. Taylor shall play any pranks on Mrs.

I expect you to show no levity whatsoever such fellows as

Taylor deserves to be made and example of.

Your most

Obedient

Servant

N. Malloy
