WE WANT A WOM-AN IN THE WHITE HOUSE,

We want some hist-'ry to be made... To make the coun-try hus-tle, give

Un-cle Sam a bus-tle, and make the Gen-'ral Staff the la-dies

aid. We want a wom-an with some know-how....

Some-one to car-ry on the fight... She'd e-lim-i-nate a war and be

home a-gain by four, She's a wom-an and a wom-an's al-ways right.

She has a se-cret weap-on that would

cast a peace-ful spell. It's "Bin-go" played by

Hot-line with Ni-ki-ta and Fi-del. E-

We want a woman in the White House,
we want some hist'ry to be made....To make the country hustle, give
Uncle Sam a bustle, and make the Gen'ral Staff the ladie's
aid. We want a woman with some know-how....
Someone to carry on the fight....She'd eliminate a war and be
home again by four, She's a woman and a woman's always right.
She has a secret weapon that would
cast a peaceful spell. It's "Bingo" played by
Hotline with Nikita and Fidel. E-
