

Our beloved friend, Samuel Taylor Jr., a minister in good esteem with us, opened in this meeting a prospect that had for a considerable time attended his mind, of paying a visit in gospel love, to Friends and some others, in Baltimore, Virginia, and North-Carolina Yearly meetings; and of attending some meetings going and returning, within the compass of New-York and Philadelphia yearly meetings, and of appointing some meetings among those not of our Society, and also, of attending the two last mentioned Yearly meetings. After deliberation thereon, he was very feelingly and cordially united with, and left at liberty to pursue his prospect, as best wisdom may direct, with desires for his preservation in the truth, and safe return to his family and friends.
