Hello old pal ---

Well how are you
the best I hope. You will
no doubt be surprised to
hear from me, I've been
planning to write you sooner
but have been very busy.

Hope you get this
letter O.K. I don't know if
I have the right address.

Do you hear from Paul
very often, I know he's
not the type to write ha! ha!
mother said she hadn't
heard from him for quite
sometimes. I wish we could
have seen you while we
were down, but we didn't
stay very long, you know
us, always in a rush ha! ha!

I suppose that you
heard, that Leonard is up
here with us now. He says

it will be a good change
for him, he was tired of
working in the same place.

How is all your family
and your mother, tell her
that I say hello to her.
Is she still working? I
suppose you are still studying
I can imagine it must be
hard at times. A good
education is worth some-

Sonny, if he wanted to go
to school when he grew

wants to be a cowboy ha! ha!

I'm telling you, we

having him two weeks

got to keep moving. We are
planning to stay home this
summer, that is if we make
enough here this winter. The
business is real good around
here, and do the pictures
sell, especially of Sonny.

By the way, do you get
the broadcast, write and
tell. Mother said they took
it good on their radio.

Mother didn't feel
so good the day I was
there to see her. I imagine
she is worried since Fran
told her he was going into
training, she thinks he'll
have to go fight now. She
won't feel good till this
war is over with.

Well Adrienne, I guess
I have said enough for now
