

State of Maine
Executive [state seal] Department

Augusta Sept 7 1867

My Dear Sir,

I enclose Sec^y
Seward last letter to me
in regard to the "Jaffa"
Colonists. I had asked
the Govt. to charge Farragut
with the duty of sending them
home. It seems the Sec^y
wishes to hear from members
of Congress on the subject.

Very truly yours
JL. Chamberlain

Hon John Lynch
