Dearest Mother & All

I just received your most welcomed letter last night at mail call & sure was glad to hear from you. & that every body is O.K. & things are running smooth. As for me I'm still in the best of health & doing O.K. with my work. Now I have 18 & hope you understand why I don't write every other day. As you probably noticed we have been quite busy lately.

I received a letter from Harvey & he is quite a waise from me. Aunt Lillian<sup>M</sup> & Cousin Addie wrote me a few lines the same day at last I got them the same day. They are all O.K. & Richard he is over here in England some where. As I said before If you send me Sutim's add. I think I'll be able to locate him. One never know does one.

I'll bet by now grammie has her pillow all fixed & started knitting again. You know now I wished I had sent home a pillow top from each base that I was at but I didn't. I always wake up when it's to late. That's

me all over. har! har!

Well by now I suppose Aunt Annie & Uncle Clark has been & gone back ay what. I hear from Aunt Annie quite often & boy you know how she can write. I sure got a kick out of them & she give me the low down on the news. Thanks a million for the clippings about the ball games. Boy it seems funny to read about the players & not to know any of them & when I was home going to school I knew most all of them. Oh well that life ay what.

Oh you may hear about my insurance, is it still paid up. By now it must be running out isn't it. If so write & let me know because I want to keep it paid up. If it isn't paid up I think the best idea is to take some of that \$50. which comes every month & pay it up for 6 months that will be far enough ahead. O.K.

Well I can't think of much more to write so we'll have to sign off. This isn't much of a letter but it will have to do. Best of Luck to you all As Ever your Loving Son  
Walter.
