

ARMY SERVICE FORCES
NEW YORK PORT OF EMBARKATION
BROOKLYN, NEW YORK

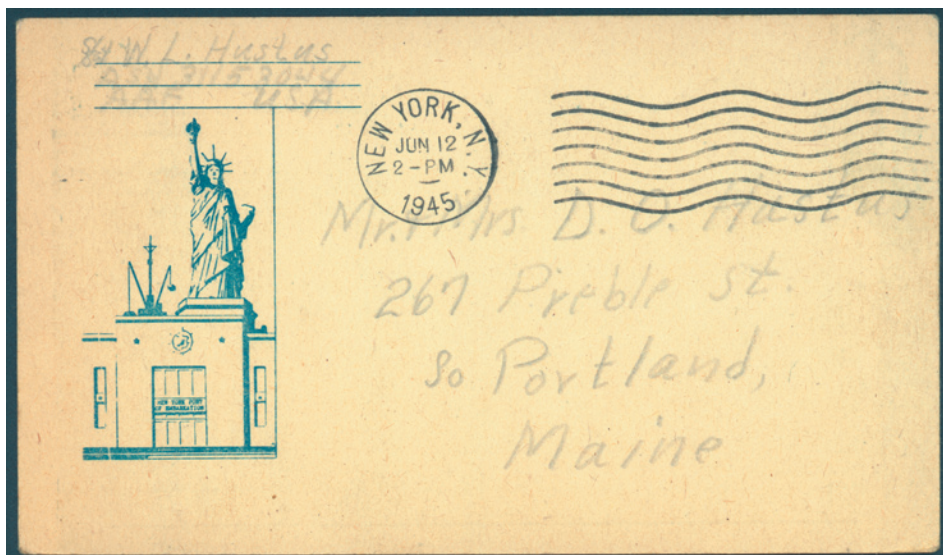

Date 11. June 45

Dear Mother & All

I have just arrived back in the United States.
The New York Port of Embarkation is doing its best
to get me home in the shortest possible time, and I
shall not be here long enough for you to get in touch
with me.

You will hear from me just as soon as I clear the port.

Hope this finds you all O.K.
Don't worry about me. See you
latter. Loving Son Walter
