

Colbrook, N.H. Feb. 4 1886.

My dear Sir -

Your esteemed favor of the 2nd inst has been forwarded to me from Lancaster and is just received.

Mr. Morey, I think, holds Gardner Buffum & Co's notes as collateral security from Stewart, although I am not certain about it. As soon as I get through Court here, which will be the fore part of next week, I will try to see both Morey and Stewart and advise them to accept the 50 per cent. I may be mistaken as to the relation they bear to the notes in question, but I shall not have any hesitation in advising both to accept your proposition.

I returned home from Washington only last Saturday night, came here Monday and have been engaged in a trial which will last all the week
