I wanted to ask
you about the orches-

tral arrangement of
my two-step. I fear
they did nothing
about it did they?
I wanted it, you know,
for graduation time
but as that is the 22nd.
guess they could
not do it in time.
There is a yugibye,
the leader of the orchestra
we shall have, that
might perhaps do it,
if they have not. I
wish you would let
me know, whether
they have done it or
not, as soon as
possible.

Another thing, about my waltz. I do not believe I want to have that published on the same scheme as the two-step. Don't you think it might look as if the music had no merits of its own if I had them both published that way? One was very cute, but I think two would be a little too much. I guess the waltz will have to wait, at least until after graduation.

I have not decided yet what to do when I leave school. About college, there is a slight deficiency of trains.

I sent Ned one of my pictures the other day, and so did Ida. Zeppy he got them all right. We sent them to Saco, Me. simply.

Lots of love to all,

Grace.
