

Hamburg Nov 21th 1861

Dear Mother

I must write you  
a few lines to let you know that  
I am well, and how I enjoy myself  
in Hamburg. we arrived here in the  
city last saturday after laying (as you  
may say) outside of land and water  
to lighten. I think it must be  
very fine here in the summer but  
it is perfectly awful here now it  
has snowed twice since we have been  
here and talk about ice there is any  
quantity here. I tell you what it is  
when I get up in the morning and  
look out it makes me shake but  
when I think of those d m d secessionists  
it get my temper up and I get  
warmed up with it. Hamburg is  
a very fine city only you cannot make  
any one understand what you are saying  
to them where the ship is a going  
to I do not know I hope she will  
get froze in here for I dont like  
the idea of going out in the north sea

Description: Letter written by John Monroe Dillingham to his mother Margaret

This time of year but what is  
more I do not want to lay here all  
winter we do not have anything to  
do but it is so cold it is as much  
as anyone can do is to keep himself  
warm all I want is for you and  
Bertie to be here and I would be  
satisfide. but you must excuse this  
short letter for short as the days  
are I am sleepy enough when it  
comes night kiss little Bertie ten thousand  
times for me and save as many for yourself  
your affectionate son
