Dear Mamma

I suppose you think it odd that I did n't write on my usual day Sunday but you can guess why, it was too good a day to stay in and write letters and as I have been very bussy this week this is the first chance I have got. Taking "Sam's" advice I have decided not to have my room painted and paperd this term. It would be too much and I have thought it would be better to get it done this summer vacation. There is enough regular work for me to do to drive me crazy without saying anything about house cleaning. I thought very much of coming home Decoration Day and stay over Sunday but as long as you did n't ask me to & I didn't know as you would want me And then you had the mileage. I have found that the Coburn

Description: Edward Winslow letter to mother.

Banquet is June 20. I have received a request to be at the Thornton banquet or else send 50 cents for another years membership. I havent sent the 50 yet. I have been writing to a man who wants a fellow to play piano for a small vaudeville show & travel over Maine this summer. It isn't a cheap show and is more like a little concert co.

I wrote and told him I would go for \$18 a week with my traveling expences (car fares) I don't expect he will take me up and dont know as I care because I think I can make as much in the hotel.

What do you think would you rather have me go with this fellow. Dudley knows him real well he has a little son who is a fine singer and talent that would be good enough for small towns.

The faculty took away the Soph Deck because we worked a buzzer at the Freshman Reading.

this was a very grave punishment and we feel the loss of the money it would have cost us to give it: (Music programs, bills etc) Deeply. If they had expelled us it would have been some fun.

I have got some bills so that if you dont need the remainder of the money sent me for furnishing my room with paper etc I will pay them. They are class dues a bicycle tire, spring water laundry bill etc. Well it is time to go out and see the Tufts-Colby game. Hope you are all well as usual and hope soon to see you in Waterville. They are building a big arch over Main St. at Center St.
