

Washington Dec 5. 1844

Dear Sir

Your letter of the 22 ult, post marked the 27th is before me.

In answer I will say that it would give me great pleasure to render you any aid in my power for the office of Marshall of our State, but Col. Emery of Hampden and Jabez True Esq of Bangor may be candidates, one or both of them for that place and if so I shall be or under obligation to assist one of them - If they are not candidates either of them I will give my support most cheerfully -

Nothing new here - Who is to be in the Cabinet is no better known here than in Maine - Nor do I think it will be known much before the appointments are made - I think Gov Fairfield will stand a good chance of success -

Yrs truly in haste
H. Hamlin
