Maine Sanatorium:

Dear Dr. Nichols:---If you will send me a bill for the balance due on account of my sister, Mrs. Isabel C. Buker, I will promptly remit. I have in my possession her receipts, showing payment ~~xxxxx~~ ^{in full} up to Nov. 9. I have written the undertaker at Mechanic Falls to send his bill to me.

I want to thank you again for your kind treatment of my sister, and your conscientious endeavor to help her in her battle against Fate. I believe that her life was rounded in loving service and self-sacrifice, if not in years, and that her example ~~would~~ ^{was} be helpful to us all. She was just as brave when I took leave of her, that Sunday afternoon, as she had been through it all, and spoke to me in the kindest manner of the treatment she had received at the hands of the Hebron doctors and nurses. The pity of it all is that we and she did not earlier suspect the nature of her disease.

Fraternally,
A. L. T. Cummings.
