Miss Martina Sisk,
Hebron, Me.

Dear Madame:

At a meeting of the Cumberland County Committee it was voted to let the bill relating to the Hebron Sanatorium go thru without opposition on our part. While we think the Sanatorium is doing great work there is some question in my mind about the management of it. But as a number of letters have come in asking me to support it I shall do so. I also think with the feeling and what was told the management here that the abuses will be corrected.

Respectfully yours,
Edgar E. Rounds.
