I am writing to know if there is a chance to get in the sanatorium for treatment as I have consumption my right lung is all right but the left one is affected I have been trying to take the treatment at home but find it impossible to have the rest and quietness that is necessary to make a cure please answer and let me know the charges and other

conditions, also the nearest  
railway station. I was in a  
sanatorium in R. I two years  
but my people persuaded me  
to leave which was a big  
mistake. I cannot enclose  
stamp as I have no  
American ones. hoping for  
an early reply.

I remain
