My Dear Brother

This day I finish my greek Minona for wich
I am very glad, and I thought I had bet^ter write and ask your advise what to
study next for I must reveue as fast as I can if I enter Colledge
next fall as our father intends. and I hope I shall be able to gratify his
expectations for he is truly a good Father to us. I recieved my clothes
last fryday and a letter from you with wich I was much pleased. and my
clothes fitted very well. as for a latin tutor I should like to have
one as soon as I could. can. and as for shoes I have sent a measure home.
Mr Hale is in town and called here today and inquired after you
Mrs Pratt is quite unwell I do not what is the matter with her but
I presume nothing serious. I enjoy good health at present and I hope I
shall make a good use of it as I am well aware that the cost is not
inconsiderable of attending the Academy.
I shall soon expect to see you here and you must tell Neal and
Emma not to forget their promise and tell Papa when he comes
to Portland that it is not but 15 miles to Saco and ever believe
me your affectionate Brother George W Pierce
