

Rumford Dec 12th 1834
George W. Pierce Esq.
Sir - Yours bearing date Dec 5th
1834, has come to hand. It is now under consider-
-ation, in relation to the appointment of a Reporter
for the State of Maine, in case that office should
be vacated by Mr Fairfield. I can say that I shou-
-ld be highly gratified to see you promoted to that
office. I know of no one that is making any
interest for that office. altho it may be thought
by some that Cumberland, is securing to
large a share of public patronage through
the executive appointments, but I for one under
present circumstances, so far as I can render you
any assistance, full to perform it with cheerfulness
and have inclosed a letter, to your charge to the
Governor, agreeable to your request. please write me
on the receipt of this.
