

Wednesday morning 27. Feby 1839

Dear Brother

Our Hon^d Mother breathed her last at 11. o'clock this morning. She has suffered greatly since you saw her but we can now humbly hope she is at rest for ever - As it seems out of the question for me to leave at this time I must trouble you with a few commissions - first will you let Sister Sarah know of mothers death & offer her what assistance you can in getting to Baldwin - second will you get a plate & hinges for the coffin & send it by the bearer of this, you will find them at any of the jewelers. a plaine white plate with the following inscription Phebe Pierce Died Febr^y 27. 1839. aged 76 Years - I shall direct the man that takes this to find you first & will you tell him where to go with the other two letters - I want him to return as early to morrow as he can get the things we need -
