

*SPINDLES.*

149

[1 PART RENDERING] – Spindle Blade, Whorl, Cup and Brass Washer

[1 PART RENDERING] – Assembly of Bolster, Packing Spring and Step

[3 PART RENDERING] – Same Parts Shown Not Assembled

[1 PART RENDERING] – Spindle Base and Doffer Guard

[2 PART RENDERING] – Washer and Nut

*SEPARATE PARTS OF DRAPER NO. 2 SPINDLE.*

In ordering for repairs it is advisable to let us do the assembling so far as possible. For instance, it would not be advisable for a mill to attempt to put new blades in old whorls. We rarely sell separate parts that are not separately shown on the above page.
