Portland, Maine. May 31, 1916 191

Dear Sir:-

The Maine Association Opposed to Suffrage for Women respectfully urges that no Suffrage plank be inserted in the National Republican platform. The sentiment of the Maine Women is opposed to such action.

The defeat of Women Suffrage at the polls in the Eastern States in 1915 clearly indicates the sense of the community.

As a delegate (or alternate) to the Convention, we call your attention to our position and ask that it be registered before the proper committee.

Respectfully,
 Alice Wood
 Secretary.
