 On Sept. 2 the Bangor Rams, defending State Champions, got into preparatory action as some 65 candidates reported for practice.

Great was the loss of Paul Coleman, co Captain this year and for the past two years center, who was injured in a scrimmage and will be out of action indefinitely. Co Captain "Willie" Work

Bangor 20 Brewer 0

In the opening minutes of the game the Bangor team had to hurl back a Brewer threat, but after that Brewer was held fairly well. The first score of the game ~~###~~ came after a 57 yard march down the field was ended when Black went around the end and into the end zone. The place kick went wide. The ~~###~~ second score came after a recovered Brewer fumble and two plays with Magee carrying on the first and Jacobs scoring on the second. The point after was good. The final score came after an intercepted pass by Magee and several plays ending when Jacobs crossed the goal line. The placement was good making the school 20 to 0. Practically every man on the Bangor squad was used ~~dur~~ during the game.

Bangor 6 Rumford 0

The only score of the game came when Magee shot a long pass to Hussey who stepped into the end zone. The placement for the extra point was missed. In the final moments of the game a heartbreaking attempt to score came when the ball was brought to the four yard line. In four attempts could not carry the ball over the goal line.

Bangor 39 John Baspt 0

Bangor had little trouble in scoring two touchdowns and a point in the first quarter Murdock intercepted a Baspt pass and ran 95 yards to a touchdown.
