Well Mr Patrick I wished you
had been out here at the Bull Run
scrape I never saw so much fun in
all of my life I tell you there was
some bully running and no mistake
There never was a horse in Maine that
could begin to creep up with some of
them I suppose I should have run as
fast as eney of them but I hapened to
have a horse to ride and so I had a
chance to see the fun. But the best
of it was there was wone of the boys from
our Village had a nice little mule but
when they began to chase us he thought
he could run faster than the mule
so he left him and took leg bail for the
woods it want Capt Heald. Well on the
hole it is pretty good fun and I want
to see it out Give my best respects
to your Family and every boddy else
Write if you Please and oblige
