our marching for the last week has
been very muddy it has rained every
day more or less.

I suppose you have seen some
of the 25th Boys before this time I saw
them at Chantilly was up to the
Regt. three or four miles they were very
glad to see us.

Where is Father now I have not had
a letter from him or from home for
some time but shall expect one tonight
the mail only comes in once in
a week now.

Tell Father the Reports is here to day
that McLellan has command of the
Army of the Potomac ask him what
he thinks of that? I hope it is so.
but as Burnside is his man. I think
that Mc— will have to drive them
out of P.A. the last Paper we got
stated that they had Harrisburg nearly

Surrounded, and I think myself
that they are getting the best of us
at Present. But if ever old Mr
Mead gets on a level he will think
he must have more men and
that soon.

The Citizens through the Country
use us first rate. The most of them
I shall have to draw to a close
for the Post-Master is going out in
a few Minutes.

Write soon as you can
and tell Father to write. next time
I will commence in time to do some
thing
