LUBEC, ME., Xmas 1931.

Dear Eben:- I am giving
you this set of books, which
I trust may be interesting
and instructive.
History and biography are
each liberally dealt with.
These subjects form a large
factor in a liberal education
which I am hoping will be
your aim.
My wish for you is: that you
may reach the height, in the
acquisition of substantial,
useful knowledge, which I
have only attained in my
dreams.
Sincerely, Grandpa Bennet
