

Harewood Hospital Washington Oct 31st 1864,
Mr Hines Sir
I have had
a Furlough made out & signed by
Genl Argur to go to the State of Maine
for the Election I went to the Surgeon
in Charge this morning for him
to sign an Order for me to draw an
Over Coat he asked me how long I had
been in the service I told him I had
been most three years he Ordered the
Executive Surgeon to Stop my Furlough
and send me to the Front he said it
was not worth while to send me
home as I had but a little longer
to serve I should like to know if
he can stop my Furlough after
I have been recommended made
out & Approved by the Genl in
Command if he has authority to

Description: Cyrus McBride letter on election

Countermand the Gen^{ls} Signature
then it is all right I should like
to have you investigate this case
& see what can be done about it for
I want to vote in some place for
I think it is the duty for every
man to vote on this coming Election
to maintain the Principles that we
have been struggling for & for the
Officers that will carry them through
I remain Respectfully
