Mr. Watson

Sir:-

Two friends of mine in this company, James B. Sweetser Priv. and Stephen E. Woodbury, Seaman by profession, having heard that an Order had been issued from the War Department giving Seaman in the Army the privilege of being transferred to the Navy, and not knowing the proper step to take to obtain such a transfer have expressed a desire that I should write to you, respectfully soliciting your aid in their behalf.

They are good boys and to me it would be very gratifying to see them more agreeably situated although it would be pleasant to have them remain in the company having been together so long in times of pleasure as well as hardship and danger.

Please reply immediately
