Dear Mr. Bonsey:
Last year my daughter visited out your way, and I asked her to try and find Surry. You may remember her Cynthia Witkin. I was a stock player at Surry, in the summer of 1951. I remember Mary Grace very well. She wrote most of the reviews for our productions. I have enclosed copies of some memorabilia I have been keeping for years. I enclosed the original menu from the restaurant. My name then was Francine Ross. I kept intouch with Logan & Anne Ramsey, was at her funeral.

I really enjoyed my summer of 1951! I worked with Edward E Horton and learned so much from him regarding comedy. I went on to get married, do more plays, became a Theatrical Agent for 13 years, quit and went back to acting in 1986. I am not famous, but did some work in films and cartoons.

I hope you enjoy what I have found, I shall keep searching. My E mail is Bigred61@pacbell.net. I look forwarding to hearing from you.

Sincerely,
Francine Witkin
