to but we live well now I have sold
14 dollars ^{worth} of meat and rice since we
messed by our selves and bot flour
and other things that we wanted
I have not seen Seth since I recieved
your letter but he is in the Hospitable

him often. They was fighting yesterday in
Franklin where I was 18 years ago but
we was not called upon the Col told
me last night he thought we should
be kept here to guard this place
we have ^{been} tareing down houses and cutting
down shade trees for a week past
on the back part of the Citty and
are now diging rifle pits and building
