

Greenville La May 15th 1863
Friend, Bridges,

I arrived here last night and found a letter here from you waiting for me, I see that you have changed camp since you were at home,

I have spoken to the Capt of our company about coming up with you and I don't think there will be any trouble about my getting away, the Capt says he thinks that it will have to be a transfer insted of a discharge as it to be in the non commission officers so I want a little information on the subject, so I wish you would answer on receipt of this and let me know how to proceed.

In hast
J.C. Phinney
