ready for the review Gen.  
Sheridan was here the soldiers  
cheered him good. there is  
to be an other grand review  
of the whole Army on the  
old bull run battle field  
in a few days I should  
like to see that. but do not  
know wheather we shall go  
or not, I have got me anoter  
horse. have got a span of  
good ones now they had a  
spare one in one of the other  
brigades that they let me  
have. our horses are doing  
well now they have hay &  
oats & not any thing to do.  
I saw by the papers that the  
31 & 32<sup>nd</sup> Regts was ordered home  
I think as soon as this review  
is over that the most of  
the troops will be sent

home. I do not care how  
soon they send us for I  
think the Government does  
not want us any longer  
tell Joseph that I was in hopes  
to get home so as to help  
him hoe his potatoes but he  
has planted them so early  
that I do not know how it  
will be. we had for brackfurst  
fried beef stake soft bread &  
coffee. I have a good appetyte  
& can eat any thing. my health  
never was better. now Mrs.  
Storror is gone Amos will  
be likely to sell the farm  
you say nothing about it.  
but if it is for sale John  
& Abram will buy it  
I hope they will just to  
plague some folks. I  
expect that it is a bout
