We received your letter of the ninth and was very glad to hear from you. we are all well at present and hope these few lines will find you the same. I go to school this winter and we have a very good school the scholars all miss you at school. Olive has wrote you a letter and has not received one from you and she dont know wether you got hers or not Horatio and Frank are of skating this morning. It froze pretty hard last night. Mather has made a barrel of applesauce and she says she wishes she could <sup>send</sup> all of it to you and the rest of the Sebago boys. I dont know
