

Easter Monday (1)
 Mrs. Jewett
 Just a line to you hoping to
 hear that you are all quite well
 as I am happy to say that I am
 still very well myself & in the
 best of health & am pleased to
 let you know that I am getting
 on alright where I am some-
 where - in France but of course
 I dare not say where I am
 but I must say that I am
 quite happy but of course it
 is not like being at home
 with your family & in a good
 home as you have to rough
 it out here & it is not like
 being at camp in England
 & we are having some very nice
 weather here now & the gardens
 & fields look very nice now
