the draft in Sebago the ordely
sergent

^has put on the role one assis-
tant Post master one stagedriver
and mail cairer and all of the
officers Elect and drafted
two of the officer Elect in our
Company and other towns haint
even put them on to the role
and you would do us a great
faivor by informing the
ordely Sergant David Brown
of the facts in regard to this draft
why the officer should be drafted
in one town and not in another
